To the attention of Mr. Dave Haggerty
President of International Tennis Federation

Mr. President,

As honorary President of the Romanian Tennis Federation, founding member of the International Tennis Federation since 1913, three-times Davis Cup finalist, this is to remind you that four years ago, in front of 600 international tennis representatives you have made the following commitment:

“to raise the visibility, notoriety and financial situation of the <<brilliant>> of world tennis, the “Davis Cup”, through the partnership with Kosmos Tennis company (a 25 years partnership)”.

At that moment I have warned you this will destroy the most important competition among worldwide tennis and will not last more than 2-3 years.

Today you announced the end of this collaboration. I was right !

So, I hope you have now the decency to resign.

Ion Tiriac

Honorary President of Romanian Tennis Federation
